MOBILITY FORUM

The **Destination Canada Mobility Forum** is an annual event organized by the Government of Canada. It allows skilled French-speaking and bilingual candidates to learn about Canada's diverse immigration programs and helps them expand their network, including with representatives from provinces and territories, cities and regions.

The forum also helps candidates connect with Canadian employers looking to fill positions outside Quebec. Every year, Destination Canada provides access to a pool of qualified candidates from around the world, don't miss this opportunity!

Destination Canada Mobility Forum Dates:

- Paris, France: February 14 & 15
- Douala, Cameroon: February 18, 19 & 20
- Online: March 3, 4 & 5

About the candidates

Among the invited participants, some candidates will already have a work permit or permanent residency, while most will not. However, they may be eligible for a simplified work permit under the Francophone Mobility program.

This program allows employers outside Quebec to hire French-speaking or bilingual foreign workers without requiring a Labour Market Impact Assessment (LMIA).

If you need assistance, the Association franco-yukonnaise can guide you through the recruitment process via the Francophone Mobility program.
